Welcome to Pleasantville Children's Center!

Thank you for your interest in Pleasantville Children's Center. At PCC, we strive to provide young children with a happy and meaningful experience that meets the cognitive, social, emotional and physical needs of each child. We are a secular, non-profit school whose mission is to "elevate childhood" by helping each child build the foundation for lifelong learning while developing their knowledge of self and others as part of a caring community. Please visit our website for more information about the program, including teacher profiles and our educational philosophy: www.pleasantvillechildrenscenter.org.
